**RAVISHANKER MISHRA**

*It is the second year in a row when we are facing a crisis of Corona and Lockdown which have restricted our activities both academic and others. Students are facing a lot of psychological problems and we don't know what is going to happen next and what the nature has got in its basket for us. Everybody has lost someone of his near and dear. The nature has shown us that we are just puppets in its hand but still we have to carry on and the spirit of life must always encompass us miles to go before we sleep. With heavy heart I am presenting this edition of VIHAAN, very limited activities in these 6 months, but we will not let our spirit die. Adieu....*

A serene sunset scene over a calm ocean. The sun is a bright, glowing orb on the horizon, casting a warm orange and yellow light across the sky and water. The sky is filled with soft, wispy clouds in shades of orange, pink, and blue. The ocean's surface is textured with gentle ripples, reflecting the colors of the sunset. In the foreground, the edge of a sandy beach is visible, with small waves lapping at the shore. Overlaid on this scene is the text "Adieu for Now." in a large, bold, dark purple font. The text has a slight shadow effect, making it stand out against the background.

**Adieu for Now.**
