

AMBALIKA INSTITUTE OF MANAGEMENT & TECHNOLOGY, LUCKNOW

**OBJECTIVES OF THE FINANCIAL DETECTIVE – A FINANCIAL STATEMENT  
ANALYSIS AND INTERPRETATION COMPETITION**

The main objectives of the competition are:

- To understand the student's essential components of financial statements, such as balance sheets, income statements, and cash flow statements.
- To understand the students how financial statements are prepared and how to analyze them to make informed decisions.
- To simulate real-world scenarios and challenges students may face when analyzing financial statements.
- To promote teamwork and collaboration among students, as they work together to analyze financial statements and make decisions.
- To develop the students critical thinking and analytical skills
