**HR Club Activity**

**Activity Name = The Zombie Escape**

**Objective =** The aim of this activity is to build the problem solving skill, team bonding and ability to work together.

**Instructions :**

- Gather your team in a small room and make one team member the zombie.
- There are, in general, 3 to 5 boundaries – each boundary is crossed by the zombie after 5 minutes.
- The rest of the team has to solve 5 or more puzzles and riddles together before the zombie reaches them.
- If any member is 'touched' by the zombie, they're done for.
- If the team solves all the puzzles before the zombie reaches them, they will have 'escaped.'

**OUTPUT :**

The Zombie Escape is a fun activity where employees understand how to work together in times of high pressure or stress.
