**DEPARTMENT OF MASTER OF BUSINESS ADMINISTRATION**

**HR Club Activity**

**Activity Name = Role Play**

**Objective =** The objective of a role play management activity is to simulate real life workplace situation or scenario in a controlled and safe environment. These activities are often used in Business and management training, team building exercise and educational settings to achieve various goals.

**Instructions:**

- Class coordinator gives a scenario to participants.
- Two participants play a role each.
- The timing of activity is 5 minutes.
- The scenario is related to interview, one student act like Candidate and second one act like HR.
- Class coordinator act like observer.
- Five teams participate in this game.

**OUTCOME:** Participants can use role play to explore and brainstorm potential solutions to real world problems or challenges they face. Role play encourages participants to think creatively and use their imagination to embody different roles and scenarios.
